DETAILED ACTION

1. The amendment filed 7/22/05 has been entered.

Allowable Subject Matter

2. Claims 6-11, 13, 26-32, and 35 are allowed.
3. The following is an examiner's statement of reasons for allowance: Prior art fails to disclose an instrument for aligning a collimated x-ray beam relative to an x-ray film and a target tooth of an animal patient to produce dental radiographs in accordance with the bisecting-angle technique, comprising a bisecting member attached to the handles, wherein the bisecting member is oriented substantially parallel to the bisecting plane when the first handle is oriented parallel to the x-ray film plane and the second handle is oriented parallel to the target plane, as claimed in claim 6.

Prior art fails to disclose an instrument for aligning a collimated x-ray beam relative to an x-ray film and a target tooth of an animal patient to produce dental radiographs in accordance with the bisecting-angle technique, comprising a film holder support including a first support member for selectively engaging and supporting the film holder, a second support member spaced apart from the first support member for engaging one or more non-target teeth, and a connecting member coupling the support members and allowing distance between the support members to be selectively varied and held fixed, as claimed in claim 13.

Prior art fails to disclose a method of aligning an x-ray beam to produce dental radiographs of a target tooth of an animal patient in accordance with the bisecting-angle technique, comprising wherein the reference portion is a bisecting member attached to the handles, and wherein the bisecting member is oriented substantially parallel to the bisecting plane when the first handle is oriented substantially parallel to the x-ray film plane and the second handle is oriented substantially parallel to the target plane, as claimed in claim 26.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
